The Anastasia Syndrome And Other Stories [UNABRIDGED] (Audiobook)

Synopsis

In the short novel *The Anastasia Syndrome*, prominent historical writer Judith Chase is living in London and preparing for her marriage to Sir Stephen Hallett, expected to become England's next Prime Minister. Orphaned during World War II, Judith wants to trace her origins. In this quest, she goes to a renowned psychiatrist and becomes the victim of his experiments in regression. When a woman in a dark green cape sets off bombs in London, Sir Stephen and Judith are faced with an intangible, mysterious force threatening their very existence. Obsessive love is the subject of *Terror Stalks the Class Reunion*; psychic contact with a dead twin sister is the only defense against a murder in *Double Vision*; *Lucky Day*, compared to O. Henry's *The Gift of the Magi*, begins premonition of imminent danger; in *The Lost Angel*, mother follows her intuition in a harrowing search for her missing child.

Obsessive love is the subject of *Terror Stalks the Class Reunion*; psychic contact with a dead twin sister is the only defense against a murder in *Double Vision*; *Lucky Day*, compared to O.

Henry's The Gift of the Magi, begins premonition of imminent danger; in The Lost Angel, mother follows her intuition in a harrowing search for her missing child.

This author is easy to read and she is great building up the suspense. It is hard to put her books down for the night.

A short review, for a short stories. I must have a longer review to submit this review. I now have the required number of words. Cheri M

A totally engrossing read..... it had me spellbound from the beginning. It was well written and interesting from beginning to end.

I didn't think I would enjoy this book as much as her others because of it being all short stories. I loved it. All the stories were very suspenseful and contained well developed characters. Ms Clark is one of my favorite authors and I am looking forward to her next book of short stories. Endings were all thought provoking

Great stories. Loved all four of them. Kept me on the edge of my seat. Will order more in the future

I'm reading MHC's books in order and really loved her short story format. Quick reads but delightfully twisted. I, again, will not give any Kindle formatted book with the amount of typos present a full five stars. Sorry, MHC. It's not your fault but as a fan, please demand better of your online "proofread" downloads.

I read this collection of short stories when I was in my early twenties and I thoroughly enjoyed each story especially the main novella The Anastasia Syndrome. All of the stories have a supernatural bent to them so if you want an adventure into another reality then you will enjoy reading this collection of short fiction.

I love Mary Higgins Clark, but did not like this book
