Alyssa Satin Capucilli is the author of the first story about Tulip and Rex, Tulip Loves Rex, as well as the bestselling Biscuit books and many other beloved children's books. She lives in a book-filled home in Hastings-on-Hudson, New York. Pat Schories's engaging illustrations of the puppy Biscuit are modeled on her own dog. In addition to having illustrated all the Biscuit books, she is also the artist and author of He's Your Dog and Mouse Around. Ms. Schories lives in Cold Spring, NY.

This is a great product. My daughter and I love to read the Biscuit books, and this book and CD set has been one of her favorites. She is 3 years old, and listening to the CD over and over again has helped her learn to follow the story in the book on her own. I like the sound of the narrator's voice, too. It is very calming, even when the story is played over and over and over again by my daughter! The story itself is very engaging, and helped my daughter prepare emotionally and psychologically to go to preschool.

Advertisement is false. The CD doesn't come with the book. That was the main reason why I purchased the book so my students can read along.

love it

I paid for this book on Dec 13th. It is already January 18th, and it never came. I am very disappointed with this purchase!!!!
