Pretty much an every day organizer.....

Very simple.. Ended up creating and using my own.

Perfect. I just opened a florist and formal wear store. That s will help my Bride's a lot in planning their special day.

I love this! It helps keep my wedding planning organized!

Not quite what I expected but it will do.

Worthless

Wasnt happy at all with it!

I thought it would have a month by month, then week by week and then day by day before the wedding for planning. I was disappointed in the book and wished I would have bought one at the store where I could view it.
