Customer Reviews

"Spiced with anecdotes, both personal and historical, that convey [the author's] deep connection to an area of the country that is truly 'off the beaten path.'"--The Bloomsbury Review

Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path® features the things you'd want to see—if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" Whether you're a visitor or a local looking for something different, let Dakotas Off the Beaten Path show you the Peace Garden (North Dakota) and the Mount Rushmore State (South Dakota) you never knew existed. In South Dakota, visit Devil's Gulch—the chasm that the infamous Jesse James leapt across on

horseback––or take a drive through the Badlands Loop for a unique perspective of the wildlife of Badland National Park. In North Dakota, take the kids to the Dakota Dinosaur Museum to see fossils actually found in the state or visit the rare albino buffalo at the National Buffalo Museum in Jamestown. If you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path.

The author wanders from attraction to attraction, sometimes for 3 or 4 pages, without telling the reader where he is. The reader has to look back several pages to see in what location the author started on this particular journey. Also, very little information on accomodations.
