Customer Reviews

If you go to Bucharest it isn't as lively as many European capitals but it does have a fair few museums and rather interestingly a fortified police headquarters which heralds from its communist days. Many people go on a cruise of the River Danube which is the second longest river in Europe and flows into the Black Sea. It will save you time and money in a stress-free way. It will help you to enjoy the best days of your life in the magnificent town of Bucharest!

This guide on Bucharest goes in depth about the layout and culture of the city. It's historical evolution is well outlined as well and is supported by a sufficient amount of facts. Great guide for anyone who is looking to learn about Bucharest.
