Zimbabwe (Bradt Travel Guide Zimbabwe)

Synopsis

This new third edition of Bradt's Zimbabwe remains the most authoritative and trusted guide available, written in an engaging and entertaining style by an expert author who has been visiting Zimbabwe annually for nearly 30 years and now spends six months of each year there. In this new thoroughly revised edition, Paul Murray brings a particular focus for those wanting to travel independently as well as visitors on organised tours. Game viewing in some of Africa's greatest national parks is a rewarding experience and this guide offers in-depth information on the facilities, advice on itinerary planning as well as how to select a safari. Accommodation is covered with up-to-date information on everything from luxury safari camps to budget stays for younger travellers who arrive overland, heading for the fast flowing waters of the Zambezi gorge. There are also details of en-route accommodation not found in other guides following a complete countrywide review of all destinations that are key to independent travellers, making this by far the most up-to-date guidebook to Zimbabwe on the market. As political tension relaxes, wildlife enthusiasts and curious tourists are returning to Zimbabwe, a country which not so long ago was southern Africa's premier tourist destination, with some of the finest national parks in Africa, stunning landscapes and an abundance of wildlife. The mighty Zambezi River offers adventure holidays, and Victoria Falls will leave visitors breathless, while the range of birdlife draws enthusiasts year-round.

Customer Reviews

Paul Murray has done the hard miles on the road to make sure that this guide is the most comprehensive and up-to-date. (South Africa 4x4 magazine) Zimbabwe by Paul Murray is the best

guidebook. (The Daily Telegraph)

Paul Murray has been visiting Zimbabwe annually for nearly 30 years and has been spending six months of each year in the country for the last five years. As author of the Bradt guide he has been shortlisted in the Zimbabwe's Achievers Award for services to Zimbabwean tourism. He has worked on the editorial team of Zambezi Traveller, a 48pp regional broadsheet and is advisor on a web-based safari booking agency. Paul has written for several other publications and tourism-related initiatives as well as being a trustee of a prominent Zimbabwean wildlife charity.

Best of the guidebooks for the country, but the accommodation listings lean to the pricey side. Not a lot of info on less expensive lodgings and tour / safari companies. Lots of info on self-driving and campsites. Well written and otherwise chock-full of info.

400 pages very neatly presented, well organized by area of Zimbabwe, practical details, cautions for the new traveler, hints on what to see, where to go, maps, up to date (Fall 2016). I use this weekly in planning my trip to Zimbabwe 2017.

I didn't realize it was coming from England, but it got here in plenty of time for my trip. Good to have the most current information!
