Blade Of The Immortal Volume 30: Vigilance

Synopsis

The penultimate volume in the long-running series! A sleepy port town becomes the scene of slaughter and frantic, final battles, as disgraced Edo officer Habaki faces the man he's vowed to take down--the rascally Anotsu. While Manga and Rin are forced to battle Habaki's most tenacious Rokki-dan thug, the enigmatic Makie has to fend off several Edo Castle henchmen at once! Blade's grotesque, vicious final battle rages on! Blade of the Immortal has won many awards across the globe, including the Eisner Award in America, the prestigious Media Arts Award of Japan, and multiple British Eagle Awards

Customer Reviews

Hiroaki Samura is a Japanese writer/illustrator and creator of Blade of the Immortal, as well as several other short works. He has also done various illustrations for magazines. The author lives in Chiba Prefecture, Japan.

SPOILER FREE REVIEW: Any fan of the Blade of the Immortal Series will have very high hopes for the second-to-last volume. "Vigilance" does not disappoint. One of the greatest things about BOTI is the way Samura blends story with action in a way that ensures the fights are epic and--more importantly--the reader genuinely cares about the outcome. Most of the volumes throughout the series strike just the right blend of action and narrative. While some volumes may be criticized for

leaning too far one way or the other, "Vigilance" gets it right. "Vigilance" is all action from start to finish. No back story or exposition here. Ordinarily, that may be a criticism I may have, but since most or all of the characters featured in this volume have been so thoroughly developed across the previous 29 volumes, there is no sense of disappointment over the pure focus on action. The story picks up exactly where volume 29 left off. It's a story of one battlefield and three battles taking place concurrently. Nearly every character involved in these series of battles would be considered a fan-favorite by any reader who's reached this point in the series. If you've come this far, you're in it to see who comes out on top. The final resolution will come with the next (and last) volume, but you will not be disappointed with the action in Vigilance, and I can promise you the final pages will leave you in major anticipation of "Final Curtain."

loved it.

great book

Great Condition

A+++

Loved this volume of Blade of the Immortal! SO much going on in this one and 2 critical battles (One that shows just how important Manji's blood worms are) And a final battle between Anotsu and Habaki. Anyways, great book!
