## **Customer Reviews**

The stories are fine, but there are pages missing throughout every book I've read so far. I made notes where the pages are missing if that helps but I thought you should know. Cherie

I truly enjoyed these books although quite a few I had previous read. Next time I will check thru what is included. Even though I had read a lot of them, I retread them and enjoyed them a second time

This is a constant thing with Emma's books... Location 10486 on my Kindle- Chapter 121- A Tender Moment. 1st paragraph- "It was a beautiful sunny day, not a breath of wind and not a single cloud in the sky." Then- same chapter, later that day- location 10577 on my Kindle-- "His sandy brown hair blowing in the wind.." WTH!! This is only one of 100's all through these books. The names are switched, eye color changes, etc, etc. These really need a proof reader or a better editor. I get so frustrated with any and all books that are done like this. If you want to be a good author, I guess this is acceptable. If you want to be a GREAT author, this needs to go away. Very frustrating to the avid reader like me.

All mail order brides ended up with happy marriages and failed. Good clean romance books. Glad I read them all.
