Best Sellers Rank: #783,336 in Books (See Top 100 in Books) #74 in Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Rugs

Customer Reviews

Wendy Miller is a nationally known rug hooking artist and teacher. Her distinctive primitive rugs are admired from coast to coast and she travels to rug schools and gatherings to teach her distinctive style. She writes frequently for Rug Hooking Magazine and has an active website where she sells wool and patterns for primitive rug hookers. She works from her home studio in Attica, Indiana.

I've been hooking for 10 years or more and taught myself. I wish this book had been written when I first started. Easy to read and follow. I own a lot of rug hooking books, but none come close to this book! I must for any rug hooker no matter what skill level. It's so simple it's genius. I have never been lucky enough to take one of Wendy's classes, but now I feel like I have.

Wendy Miller is a very talented primitive hooker. There are LOTS of good tips if you're interested in moving more into primitives. I've been hooking for several years but still came away with several good, new ideas. I recommend this book. However, if you're a hooker who uses #3's & #4's and are not interested in changing, this would not be the book for you. But if you want to broaden your horizons, Wendy will do it for you with this book

Wendy Miller wrote an excellent rug hooking book for wide cut primitive rug hooking with clear, well-chosen words, and photos to entice you to hook with wide cuts. I, myself, am a traditional rug hooker who prefers #4, #5, and #6 cuts of wool to hook; I am now going to explore further and will hook with an #8 cut. Thank you Wendy! Please buy this very well-written rug hooking book. It belongs in your library, and you will go back to it as you rug hook and read it for explanations of various techniques.

This book is a wonderful go to at anytime. Wendy explains hooking and design so well. She makes being a new hooker excited to start. I would highly recommend this book to read and use it right away. My next hope is that she makes another book soon

Very informative and easy to read. I enjoyed the pictures of beautiful rugs and packed with so many ideas for my future rug hooking.

I have a lot of rug hooking how-to books plus Rug Hooking Magazine. For the style I'm interested in hooking, this is the most valuable resource available although I think that this could be interpreted to all widths. It is written in a clear, precise manner and explains in detail step by step instruction not only in wide cut, but different backgrounds and finishing. A-Z, really! A great book to own!

Fantastic rugs, easy to understand directions and tips for both the beginning and experienced hooker.

Love this book! I am a beginner and this gave me simple, concise information. I can hardly wait to get materials and start!
