Customer Reviews

I did not like the formatting of the guide. The guide also does not cover what should be some major must sees, which was disappointing. I found the guide thin on details. I could go on, but I won't. Don't waste your time on this one, there are better guides out there.

Complaint is of Petit Verdot restaurant in Aix en Provence. Highly recommended in 2010 edition. Found restaurant laughably bad. Waitress rude, portions ridiculously small. Veg tasteless. Service appalling. When complained (in french) waitress said everyone elses portions small so what was I complaining about. Highly unrecommend this rip off restaurant.Helpful hint. If visiting Unite d'habitation (le Corbusier's) amazing flat complex, guide fails to mention that if you ask at the reception, for 4 euros, you can have a personalised guide by an inhabitant of her flat. She has lived there 22 years and is very informative. Gives real insight into success of living experiment. Helpful if you speak french though.

good look at each little coastal town with hotels and restaurant. i was hoping for recommendations on traveling from town to town by foot ,bicycle or bus.
