Never been to Venice but it is one of those places we are planning to visit soon. As described in this book this floating city is such a romantic place. The pictures help a lot in describing and showing how beautiful the place is. From this guide we are given a lot of ideas how we can tour the city may it be by bike or by boat. The historical places such as museums as well as the hotels we can stay in are listed accordingly in this complete guide about Venice.
