# Baptism: A Bible Study Wordbook For Kids (Children's Wordbooks)

## Synopsis

Baptism: A Bible Study Wordbook for Kids is a great introduction for children on this important, beloved sacrament. Ideal as an aide to parents, Sunday school teachers, and children's ministry directors, this book teaches children a number of lessons concerning baptism, such as: Why we get baptized (to show others we have joined God's family) How someone is baptized, and who may baptize them How to use baptism as an opportunity to share the faith with others But most importantly, this wordbook presents children with the question of whether or not they are in fact ready to be baptized. Designed especially for kids in grades 2-5, activities include a crossword puzzle, word search, coloring page, quiz, and "Certificate of Spiritual Birth." These activities, paired with engaging illustrations and simple explanations, will help your children truly understand the gift of baptism.\* This book is part of The Children's Wordbook series, by Richard Todd, and is most beneficial when used alongside the wordbooks, which cover salvation, baptism, communion, giving, and church. They are great resources for parents and teachers who want to teach children of these fundamental Christian doctrines.

## Customer Reviews

Pastor Richard E. Todd and his wife Claudia live in Southern California where he is Senior Pastor of

Community Grace Brethren Church in Whittier and has served that church family since 1987. They have three grown sons and are grandparents. Richard has developed a sermon title database plus written other materials for nurturing the spiritual growth of children, youth, and adults.

A fun tool for figuring out if your child is ready to get baptized. I used it with my 7 year old son when he said he was ready and he had it completed in 2 days. Now he has a great physical reminder of his special day.

My grand daughter worked through this book. It really helped her feel that she understands her baptism. She is precious to me. I am grateful for how this helped her establish her 'like precious faith' Second Peter 1:1

We use these at our church anytime a child expresses interest in baptism. Its a great way for the parents and kids work through the book together to make sure the child understands baptism.

Wonderful workbook for kids and parents to go over together! (Bought the Communion, Giving and Baptism books)

Ordered this and received it the next day!! These books were PERFECT learning material even for my 5 year old. I loved how the kids got to read some and then reference to scripture what they were learning!! Even I learned something lol!! These are even great for any beliefs cause they are based around the Bible.

These books have been awesome to help our kids in Kids Church really understand the reason we get baptised. I would recommend them.

Nicely done. Love the certificate in the back.

This resource helps me keep my younger student's attention. It keeps both my students focused and me on track, A good reference,
