Customer Reviews

I love all the couples in this manga. This volume felt more serious than the others. Usually they are more comedic. I'm still a little confused about some things with the merman since he is such a different character from the other zoomen but still enjoyed it. Also I didn't think makio was shinobu's sister, zooman relationships are so complicated :). Still looking forward to the day Norio and Kunimasa finally consummate. Every couple but them seems too. But anyway this really made my day.

Excellent book!! I absolutely love it!!

I love this series from the beginning of the story line but now it is a little confusing. It went from a

couple angst to something more dark and complicated. Where is this story going?

Super snatched in every way. Everything is crafted carefully and thoughtfully while remaining spontaneous and a bit quirky. Mischievous fun and guilty excitement.

I loved it. I wish it was show or movie that I could buy. I know that there is some out there but I can't get it or find it. I loved the whole series.

This is such an amazing series that I want to tell the author, "Hurry up and write volume 8! The wait is unbearable!"

All about Shinobu and the mer-lion Vulnera. No closure- No Norio except a small bonus at the end.
