Very helpful edition with summaries and insights.

Great study guide. As a teacher I am able to implement much of the contents.

Love the commentary in this version of Macbeth. Great for all students of Shakespeare.

My school performed this play and it was great!

MacBeth endures as one of the greatest plays ever written.

Book is good but a little fold line. But it's Acceptable.

I'm an English teacher and this is my favorite version to teach, very helpful photographs and notes.

My favorite play to teach.
