The Lady's Guard (Sinful Brides Book 3)

Synopsis

In the third installment of USA Today bestselling author Christi Caldwell's Sinful Brides series, a kingpin of London's underbelly risks his heart on the woman he's hired to protect. London, 1822 At the notorious Hell and Sin Club nestled in London's dark streets, Niall Marksman relishes taking the fortunes of the very same society that once disregarded his existence. Oh yes, Niall has sold his soul to the devil and paid dearly. It's only when Lady Diana Verney appears at the gaming club looking for help that Niall knows that the devil has finally come to collect—by forcing him to protect the duke's pampered daughter. Disdained by the peerage and ignored by her father, Diana knows that someone wants to harm her. Her only protection is Niall, a scarred, intense man who lives and dies by the knife. Now her life and safety are in the hands of the most dangerous man in London. But a man raised on the city's mercenary streets is adept at stealing anything he wishes—including a lady's reputation and her heart.

Meet Niall and Diana who together find that home is truly where the heart is. Diana is the daughter of a Duke and Niall is a part owner of a gambling house and a street thug with a horrible childhood. Only Christi Caldwell could bring these two together and make you laugh and cry at the same time. I loved this journey!!!

Once again Christi Caldwell has succeeded in enthralling and entertaining this reader. Niall (born of the streets) and Diana (born to wealth and privilege) are challenged in this suspenseful drama. Niall thinks Diana is spoiled and calls her Princess. Can he conquer his own prejudices and torments in order to save Diana? Can both heal each others unseen scars? Read it and find out.

I really enjoy this author & this series has been really good...just enough drama, but not overdone & all the things you expect from people who are falling for each other & in denial...Diana & Niall give each other as good as they get! I look forward to the next book in this series!

Always a lot of character and depth to her books, always a lot of good humor over bad situations, and human interpersonal relationships outside the primary that get and hold your attention and make you come back for more.. :)

I love these two!! Christi Caldwell always tops herself. I pre order anything she writes and am never disappointed! Her words have me seeing, smelling and feeling from beginning to end. Her descriptive writing is the best I've EVER read! These love stories that seem impossible, yet work out with wonderful conclusions! Another must read!

This was the best of the series so far. Loved it. Loved Niall and Diana as a couple, they were so suited for each other. Loved the story very hard to put down. Glad I started it on a weekend.

So good! Can't wait for more from the hell and sin club! Finished this book last night, took me til 1am but absolutely worth it. So easy to love the characters from the very beginning.

Great plot, well-developed characters, sizzling chemistry - what more could you ask for? Christi Caldwell has another fantastic novel on her hands. I would definitely recommend.
