The Blood Groove (Purgatory Wars Book 4)

Synopsis

Welcome to Purgatory - a world where anything can happen... and survival hangs in the balance. Liam's life has taken dozens of turns since he came to Purgatory with nothing more than an iPhone and a steel longsword. But now Purgatory has been plunged into the war that Liam has dreaded for years: Sysminor, a mad being who would be the world's sole god, has attacked the Norse pantheon with his army of lizardmen, led by Brax - the best general seen in centuries. Love and loyalties will both be tested against the fire of war and, in the end, the question is not if Liam and his comrades will win but whether Purgatory itself survives. The Blood Groove is a 78,000 word erotic epic fantasy novel set in Purgatory, an alternative Bronze Age world of sensual eroticism and crackling magic. But will Liam, Meg and Tethis return?
