Customer Reviews

Needed the book for my son's school assignment. No complaints from him so everything's great. Shipping was quick as well.

It seems to be a short supplementary reading for high school course. Nothing serious

Children can be successfully introduced to Renaissance history, accomplishments, discoveries, and influential persons through 'Renaissance World', an outstandingly produced four volume series from the Crabtree Publishing Company for young readers in grades 5 to 8. Superbly produced, the four volumes comprising this informed and informative series includes "The Renaissance in Europe
