Customer Reviews

I tried these after using Emanuel Outlines. I didn't find them helpful at all. I wouldn't recommend them.

Law in a Flash is probably the only reason I did well in Secured Finance. As a typical third-year student, my desire to prepare throughout the fall semester was almost nonexistent. When the time came to kick it into gear before the final exam, these cards were my saving grace.

These flash cards are extremely useful for going through the in and out of the UCC. Also includes some limited international sales principles as well. Lots of hypos and covers the landscape of the material well. Expensive but worth it.

Excellent - my daughter uses all of the flash cards when they are available for her classes and will

use them for Bar review.
