Book by Leisure Arts

Leisure Arts does their usual good job of providing a large variety of patterns and projects, mostly traditional with some on the cutesy side, but then this book was published in 1995, and includes designs from the decade leading up to that year. These colorful items include ornaments, gifts, clothing items, and home decorations for Christmas, with full-color and easy-to-read illustrated stitch charts, thread keys, and photographs of the project being featured. As usual, too much emphasis and space is placed on the artistically "staged" picture of the item, instead of an essential item close-up which is of much greater value to the stitcher. But the designs are adaptable to most any ideas you have, from table runners, sweatshirts, pillows, mugs, finger towels, framed thread "portraits", and sock cuffs (!) to glass jar tops. A short index, some general instructions on stitch diagrams and finishing techniques, and a few templates are included in the back. They even throw in a few recipes for goodies to put into your basket and x-stitched bread cloth. An altogether satisfying and comprehensive, but not ground-breaking, book.

As always, there are more items I won't use than the ones I will. Nice book though

Cute and easy cross stitch patterns. It will come in handy for future projects.

this is a great book full of Christmas charts for you to stitch. very nice pictures and charts. a very good buy

I enjoyed working some of these patterns. The snowman on the cover was my first choice. It was quick and easy. Wii love this book of patterns alot.

I couldn't wait to recieve this book.It has so so many cool designs in it.I started to work on things as soon as i got it.

Got it way before I expected & the quality was excellent. I would definitely order again.

perfect for Christmas ornaments. just love this book
