The Story Of God's Love For You

Synopsis

every story whispers his name. It's an adventure story about a young Hero who comes from a far country to win back his lost treasure. It's a love story about a brave Prince who leaves his palace, his throne, everything to rescue the one he loves. It's like the most wonderful of fairy tales that has come true in real life! You see, the best thing about this Story is it's true. And at the center of the Story, there is a baby. The Child upon whom everything would depend. All the stars and mountains and the oceans and galaxies and everything were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began. It's from The Story of God's Love for You (originally published as The Jesus Storybook Bible)

Love, love this book! It is exactly the same as the Storybook Bible she wrote but if handed to an adult-wouldn't look so weird because it isn't full of kid illustrations.

I knew when I bought this that it was the exact same text as the Jesus Storybook Bible (JSB), but I decided I wanted to see it for myself. Surprisingly, I found the stories to feel more childish in this version than accompanied by illustrations in the JSB. My mom really enjoys it, because she likes things to be written in a simple style. I'm more accustomed to writers like C.S. Lewis and A.W. Tozer, so this was quite a contrast to my typical reading materials. I think this would be great for older children who would be embarrassed by reading a storybook, but could still use a simple telling of Bible stories.

Perfect book for a new believer or anyone who is curious about what Christianity is about in a nutshell. A great book for young teenagers.

I bought this for my mom, as a devotional. It's a very simple format, great for adults who want to read the story, but without the illustrations (although those are great). It was also a nice, smaller size for storing or taking along with you.

This is an awesome book. The bible stories are told in a way that is great for both adults and children.

Love this book

I have a secret confession to make. Any book with the name Sally Lloyd-Jones on it I want. I don't even have to open it up to know that I want it. Her name on the cover is enough to make me put it in my cart. Why is that you ask? It's because I can be assured that she is going to take the reader's hand and draw them to Jesus. For years now we have been enjoying her beautiful story books with all the littles in our lives. She teams up with a talented artist and the two of them create a masterpiece that brings the wonderful words and concepts of Scripture to life. If you've not enjoyed one of her books with your

kids you are missing out. In the back of my mind I have always thought it would be lovely to read an adult book written by her. She has such a gentle way with words that quietly brings the Gospel into your reading experience. Well, my wish has somewhat come true. With the release of *The Story Of God's Love For You* I can now unashamedly bask in the beautiful words that bring me into the presence of God. *The Story of God's Love For You* is the adult version of *The Jesus Storybook Bible*. The words are the same but it is packaged for an adult to read. There are forty-four short chapters that lead you through the beautiful love story of the Bible. This book is a must for all the worn out mommas out there! It would be perfect for those moments when you just need to regroup. Think about where you go to escape the madness. Is it the bathroom, the laundry room, or even the car in the garage? Wherever it is keep a copy of this book there and when you think you are about to lose your marbles go there and read a chapter. You'll be exposed to the flawed people that God chose to use to bring about His perfect plan. Every time I read a chapter it reminds me that none of us are perfect but God is and has a part designed just for you in the midst of the crazy day-to-day. Maybe you're an empty-nester like me. I recently took it with us on a business trip and read it aloud to my husband as we were driving. I simply could not put it down! Not only did it make the trip go faster but we were blessed with the beautiful redeeming love story that God wrote just for us. I highly recommend this book to everyone who wants to be covered in the story of God's great love for us. I received a copy of this book to facilitate my review.

My son has the *Storybook Bible* and when I found out there was an edition for adults, I had to buy it. I love how concise and simple the language is. It really helps me to put the Bible stories in order and make connections between the families. I gave this as a gift at Christmas, and I think everyone really enjoyed it.
