Customer Reviews

I have missed read the authors stories and wondering why I had not seen any new ones; so when this came along I grabbed it. This is one of the best of this genre I have read in a while.

Stepsiblings who care about each other and show serious concern for each other. This book is too

good to pass up.

cute and coy. fun. not the best writing in the world, but good enough to suspend some disbelief

The sex scenes were out-freaking-standing! The details were just the right amount and the description of the sex was awesome! This is definitely the porn for housewives kind of book we all love to read (even if we don't want to admit it.) Whoo!

My dear, you're a writer of excellent erotica. Keep up the great job. [Gee there's a word minimum..... love SEX! ;)]

For a short story this is very good. I like longer books, but this came to the hot part and then was over.

I loved it . Only thing that could have made it better is if it was longer ! Thank You

Was a really good short story. Enjoyed it very much

It is worth a good chuckle and also very erotic.
