Rock Trivia Madness: 60s To 90s Rock Music Trivia & Amazing Facts

Synopsis

GET SCHOOLED IN ROCK WITH ROCK TRIVIA MADNESS! Rock and Roll. For more than 60 years, it has been the soundtrack to our lives. Albums like "Highway 61 Revisited", "Born to Run" and "Nevermind" have helped us make sense of who we are. Not only that, the daring passion and bold visions of rock artists have shaken up social norms and even helped change the course of world politics. There've been some wild stories to go with this wild music. If you're eager to learn some of the crazy, random facts of rock, Rock Trivia Madness is the book for you! This collection of rock stories from the 1960s to the 1990s will thrill and fascinate fans of music trivia. You'll learn: How the Beatles helped the Rolling Stones score their first hit How the Velvet Underground helped overthrow the Communists in Poland How David Bowie almost turned his back on fame and fortune What Black Sabbath has in common with James Bond How a PA system helped get David Lee Roth into Van Halen Why the IRA threatened to kidnap U2's Bono How Sarah McLachlan saved a hip-hop legend's life How a girlfriend's gift inspired the Red Hot Chili Peppers to "Give It Away" This trivia book will give you insights into the different types of rock and related genres • folk rock, psychedelic rock, punk, power pop, heavy metal and much more. Ready to beef up your knowledge of rock trivia?

Customer Reviews

If you are rather young, or never really delved much into the music you listened to, you will probably learn quite a bit. However, if you are a real music geek, disc jockey, or just plain curious, and nosey about your favorite music, and bands...you probably already know most of what's here. None the less, it's a fun, enjoyable read, and a nice reminder of times, and music past.

I'm not a huge rock fan by any means but I was able to get this one for free so I gave it a go. I was surprised on how interested I became in these stories. I found it very interesting to read about a band and then look them up on Spotify and baaam, I had discovered some new amazing music from before my time. Great book!

I truly enjoyed this kindle edition because of its variety in the Rock genre. Everything from the 60's to the 90's provides a little fun for everyone. Bill O'Neill knows what he is talking about when he wrote this. His trivia books are outstanding and I can definitely recommend him

I was hoping that this would be composed of more skillfully written anecdotes. Instead, it's just interesting facts reported in a disjointed fashion.

This is like a collection of Wikipedia entries. Stuff that every rock fan has known since the beginning of time. And the style of writing is for toddlers. A rock book for people who don't like rock music.

Interesting stories and facts about the recording artists particularly from the 60's and 70's. Thought there should have been more from those years.

The book is very fun of interesting facts about American rock scene. Too bad that the kids today only know about EDM and rock is no longer popular like it used to. Also, this book has many weird facts about Van Morrison, one of the best guitarist of all time. Gonna buy this book for my friends as well.

Really A Great Item
