2011 Quilt Art Engagement Calendar

Synopsis

The 2011 edition of the ever-popular American Quilter's Society desk engagement calendar is here! The tradition continues! Captivating quilts, week after week, provide a year's worth of inspiration. Klaudeen's keen eye for visual impact and fine workmanship has garnered the best from today's talented quiltmakers. Details of each quilt's design, maker, and where it has been displayed are included. The sturdy spiral binding keeps the calendar lying flat on your desk for easy access to the myriad of activities packed into every week. There's plenty of space for jotting down appointments, accomplishments, or just random thoughts while enjoying the week's featured quilt. Reminders of special days, including dates of AQS quilt show events, are noted throughout. 2011, she has done it again.

Customer Reviews

There is no more beautiful way to schedule important events than with this calendar. The spiral binding permits full-week views complemented by award-winning quilts from around the country. The variety, level of workmanship, design, and photography make this the perfect gift for yourself or any quilt lover you know.

For the past 18 years, Hansen has traveled across the country finding best of the best in new quilts to be represented in AQS' Engagement calendar. She is a certified judge and national traveling quilt teacher who lives in Sun Prairie, Wisconsin.

Reviews from people who have just purchased an item can be informative if the item is bad, but I want to know how well something lasts. This is the fourth year I've purchased the Quilt Art Calendar - and I will continue to buy them year after year for as long as they make them. They hold up extremely well - I've never had a page tear out - and I use it daily - each page is filled with my writing and notes. Smooth writing surface, you can write with pencil or pen, and it doesn't smear.

Quilt Art 2011 Engagement Calendar is a 'must' for any avid quilter. It uses an engagement calendar format pairing good-sized weekly pages with plenty of fill-in room with facing examples of quilts and descriptions of makers and challenging parts of production. A fine pick for any avid quilter!
