Customer Reviews

Absolutely LOVE this book. I love the old hymns, and reading about the history of each one is so interesting. Read it every night before going to bed and sometimes it's hard to put down.

This book is very informative and interesting to find out about the authors

Very well written with lots of good information on the hymnwriters of the old hymns.

Good service and not a bad price either. Well satisfied with price as well as quality of merchandise. They produced what they promised.

Excellent, fast seervice. A+++++

I purchased this for an elderly friend who is in a care home. She loves it. She had wanted to learn the stories behind the old hymns she grew up with and is enjoying the book very much.

Seems I had an earlier edition that had much more pictures of the hymn authors than this one. I found it useful when teaching about the hymns origins and authors.

I really love learning about the hymnwriters and how God worked in their lives! It's a very inspiring book. I decided to buy it after reading one of Ken Osbeck's other books.
