An Insider's Guide To Soccer (Sports Tips, Techniques, And Strategies)

Synopsis

Whatever you know the sport soccer, football, or association football it is the world's most popular team sport. And the World Cup, played every four years, is the world's most popular sporting event. But that's on the global stage. As everyone who plays or watches soccer knows, sometimes the real action and excitement can be found on the local field or pitch. This concise guide is a useful tool for those interested in playing (or just learning about) the game including its earliest days of play, up-to-date descriptions of the various positions, clear explanations of the sometimes-confusing rules of play, and much more.

Book Information

Series: Sports Tips, Techniques, and Strategies

Hardcover: 48 pages

Publisher: Rosen Classroom (August 1, 2014)

Language: English

ISBN-10: 1477785914

Customer Reviews

Gr 5-8-These readable overviews make good use of photos, graphics, and inserts to introduce the rules and history of each game, along with playing tips. Basketball skills such as pivoting and playing defense are clearly and concisely explained through text and photos. There's also focus on fitness and inclusiveness. Girls and young women are shown playing and working out; an inset titled "Anyone Can Play Football" (in Football) notes that female teams now play at all levels. Volleyball includes a brief mention of athletes in wheelchairs competing at a sports camp, as well as a photo. Baseball offers a short discussion of steroids usage and its impact on the game, while Soccer notes Pele's impact on the sport's popularity. These are well-written, attractively designed books, and it's especially nice to see coverage of softball and volleyball. (c) Copyright 2014.
