# The Complete Jewish Guide To Britain And Ireland

## Synopsis

The Complete Jewish guide to Britain and Ireland is the only resource for everything you need to know to embark on a trip through Jewish Great Britain. Travel writer and journalist Toni Kamins catalogs information on well-known sights and little-known treasures as varied as the beautiful Moorish West London Synagogue, the Manchester Mikveh, the lost Jewish Cemeteries of Glasgow, and the Jewish Museum of Dublin, as well as transportation, lodging information, and places to buy kosher food. Selected photographs and maps fill out the picture. Kamins also recounts nearly one thousand years of related history—from the first appearance of Jews on the British Isles following the Norman Conquest, through the Crusades and the Expulsion, to the Restoration and up to the present day. She focuses on the turbulent and captivating histories of England, Scotland, and Ireland through the prism of the Jewish experience. The Complete Jewish Guide to Britain and Ireland has everything you will need to make your trip a success—and put it into a historical context that will make it even more worthwhile.

Toni L. Kamins is a freelance journalist and former editor. Her work has appeared in many publications, including The New York Times, New York Magazine, and the Jerusalem Post. She has lived in France and traveled extensively.

this first chapter is an excellent overview. good place to start

I am planning a trip to London and the surrounding countryside and I stumbled across this guidebook. Because I am Jewish, I was interested in learning more about the culture and history of British Jewish places while I traveled. This book is packed with facts that are presented in a very entertaining way. The author talks about places regular guidebooks miss, and she makes you aware of the great contributions Jews have made to England. The book is well laid out and very easy to use. I can't wait to use it for walking tours when I am abroad!

This ex-pat Jewish Brit loved this book! Not only did it make me nostalgic for home, but it told me things I never knew! This is a concise but complete guide indeed. I fully intend to take it with me on my next trip back to England.
