Evermore, An Arotas Novella (The Arotas Series Book 4)

Synopsis

NEWLY UPDATED VERSION. IF PREVIOUSLY DOWNLOADED PLEASE MAKE SURE YOU OPT IN FOR UPDATES ON YOUR STORED BOOKS Discover the final book, EVERMORE, from the best-selling clean young adult paranormal and urban fantasy AROTAS series that everyone is talking about! The series with over 6500 5* ratings (iBooks, and Goodreads) The Arotas Series is a "must read" if you are into exciting novels • Reviews ***** "...can't get enough of this author!" • Reviews ***** I pledge my heart, my life, my soul to you on this day and all the days to come. My life, bonded to yours, if you will have me. ~ Gabriel, Redemption With a single vow and a swift blow, everything Roseline Enescue held dear is stripped away. The battle is over, but the victory is far from sweet. Laying Gabriel to rest in the Enescue family mausoleum beside her beloved friend and former lover, Fane is the hardest thing she has ever had to do. With an eternity of loneliness stretching out before her, Roseline withdraws into herself, shutting everyone out. Follow Roseline and Gabriel as they are reunited after death. THIS BOOK IS A COMPANION NOVELLA TO GIVE READERS A BRIEF GLIMPSE INTO WHAT HAPPENS AFTER THE END OF BOOK 3. Want to know how it all began? Check out Desolate, Book I of the Immortal Rose Trilogy and see who Roseline was before she became an immortal.

Customer Reviews

I have to be honest and say I did not like the style of the author at all and after reading halfway in the first book I got this because I wanted to see where it would go. The idea is an interesting one but the execution didn't follow through. The ending appeared rushed but it did end and I am glad I bought this just so I know I did give it a chance. I could not or however read through the whole series. The author needs to consider the difference between past and present tense and what point of view writing actually involves. Still points to her for making the effort. I gave it a 3 star because I do feel some young readers may still enjoy it.

I was a huge fan of the Arotas series so when I saw there was a new novella I was excited. I bought, I read, and I was extremely disappointed. This was more of an afterword rather than a novella. Let me save you time and money...Rosa is depressed, Gabriel comes back, they have sex, the end.

I read the entire series and I was not impressed. When did becoming a blood sucker become cool. The author (in my opinion) storyline was too much like Twilight and Vampire Academy. You got the best friend that loves you and wants you (Twilight) and you got Rose the warrior (Vampire Academy). Luckily the last book was short, I guess the author didn't want to bring the werewolves into the story.

I was drawn into this series and was happy to see this extra piece added although it goes by far too quickly. You have the ability to gain some perspective from the prior book. It also gives closure as you know there is more to the story at the end of Redemption but hate to just imagine what happened. Then it leaves the opening for so much more to happen while not leaving you hanging if it didn't. I love the banter between Roseline & Gabriel and Nicolae & Sadie and especially with William thrown into the mix being the odd guy out. I feel this series brings forth the humane side that you don't always see in these types of books. There is always a choice between good and evil, and the better choice is usually the most difficult.

Although I received my closure of the Arotas Series, it brought on an anxious and exciting new series to be read. I was a little upset that the summary misled me into reading this "novella" to gain my closure, when its real goal was to give me a teaser into what will come later. Although I am excited and do want to read the books that will transpire from this "novella," I felt duped. Be Warned!

Once you start reading this series of book you can't put them down. Excitement friendship and romance. A great series of books

What's not to love about that? Especially if you're enjoying the series! I thoroughly enjoyed this book EXCEPT for the ending. It didn't end properly, as to giving the series an ending. The way the ending was written, another, and another, and another, etc..., book/s could have been written. I don't know about other readers of the series, but I personally don't like a book/series with a non ending.

Wrapped up the series well. :)
