I love this book! I loved the concept that each chapter was a different surprise.

Herobrine has been struggling to be the greatest warrior. But what I think he tries to do is to kill someone right? So in the next book Herobrine should have a plan to kill Steve. But there is someone more powerful than Herobrine. ENTITY 303! Research him because he's so awesome! I am making lots of reviews to make him famous! Now I am talking to you. You are so fast. You made a book in a week or so. I also suggest to make Herobrine fight the Giant zombie. Difficulty:

Easy/Normal/Hard/summon GiantYour awesome reviewer: Teslageek. Tes for shortP.S. I am making a book that features me Teslageek and futuristic cities and nuke explosions.See you Steve the Pro!
