# Savannah - The Delaplaine 2015 Long Weekend Guide (Long Weekend Guides)

## Synopsis

A complete guide for everything you need to experience a great Long Weekend in historic SAVANNAH. (Also nearby Tybee Island.) One of my favorite places because I visited often when I had a girlfriend there in my college days. And since my family originated in Charleston, Iâ€™ve always had a fondness for the Charleston-Savannah rivalry for â€œBest Historic Southern Town.â€• â€œWe had been to Charleston the previous year, and used the Delaplaine guide for that trip, which turned out so nicely, we thought weâ€™d try the one he wrote for Savannah. Just as helpful, and actually a lot more information than you could ever hope to cover in a Long Weekend.â€• --- Morris J., Seattle â€œWeâ€™ve always been fans of Charleston, but had never been to Savannah before. Attending a business conference in nearby Hilton Head, I decided to get this book, extend my trip by 2 days, and had a truly magical time in Savannah, a place I will definitely return to.â€• --- Fred H., Dayton You'll save a lot of time using this concise guide. =Lodgings (throughout the area) variously priced =Fine & budget restaurants, more than enough listings to give you a sense of the variety to be found. =Principal attractions -- don't waste your precious time on the lesser ones. We've done all the work for you. =A handful of interesting shopping ideas.

Some interesting suggestions but the maps are a terrible quality and you could do better for tips on simple websites I found.

This book was perfect for help in planning a long weekend. I always think that part of the fun of traveling is the planning. I would recommend the book and took many of the recommendations.

The selections and reviews seemed like personal choices, though there were some intriguing choices.
