I bought this and the DVD on Sgt. York for my husband but my 8 year old. grandson saw the book and couldn't put it down. He saw in it how God so changed Mr. York's life and the decisions he was faced with. Then as Sgt. York my grandson saw how in living for God Sgt. York became a great man of courage!! I would wish every boy and actually person would read this and watch the DVD. Real Godly heroes are few and far between in America these days. This can help our youth see that it is not impossible to stand for what is right and when you do God stands with you. Highly recommended along with the DVD.

Several years ago I bought an original copy of the the biography of Alvin York titled Sergeant York His Life Story And War Diary copyright 1928 for a \$100. It was really a facanating book to read and quite incredible what York did in the Great War. The book Sergeant York and the Great War which this review is about are very similiar except the author Mr. Wheeler gives additional material that is revelent to the first world war. Mr. wheeler's addtions add flavor to the orginial bio. All togeather this book is a great read for adults and especially young adults looking to read about a genuine American Hero.

I recently read this out loud with my 10 yr old daughter, for our modern history study. We enjoyed it immensely. I couldn't help reading in a deep accent the whole time. I loved hearing his conversion story and how much integrity this man had while away from his betrothed. This story tells of a man of great courage, principle, and faith. I have been homeschooling for over 15 years and Sergeant York is one of our all time favorites! I highly recommend this book.

I ordered this for my grandfather who was the great nephew of Sgt York. I was very impressed with the quality of the book. I was expecting a paperback for the price! He loved that it had pictures and writing samples, I can't wait to read it when he's finished!

I love reading about Sgt York since I've been to his house and mill and enjoyed this book and shared it.

I bought this book for my husband and he loved it. He's working so much overtime he has little time for anything else but he made time for this. It's always been a movie we liked. It's a peak back in time. Reading about an honest Christian man is time spent in good company. Sergeant York [VHS]

I bought this book for my husband as a gift. Looks, smells, and feels brand new. No damage to the book whatsoever. Would buy again!

I need this book for my son's report he was writing for college. He enjoyed it, and I would recommend it to anyone interested in Mr. York.
