Zendoodle: 101 Zendoodle Patterns To Inspire Your Inner Artist--Even If You Think You're Not One! (Zendoodle Mastery Series Book 4)

Synopsis

Have You Seen Zendoodle Works Of Art And Been Inspired To Create Your Own? But Don't Even Know Where To Start? Maybe you're not even sure what Zendoodle is, or simply don't feel like you're qualified to be an artist! If any of these scenarios apply to you, then Volume 4 of my Zendoodle Mastery Series is the answer you've been looking for! I'll walk you through step by step in pictures, each of the 101 NEW patterns so that you know exactly how to re-create them in your own artwork! Plus, I've included 20 of my own hand-drawn pieces so you can more easily see how to put the patterns together to create unique and eye-catching works of art. As a BONUS (and a 'thank you' for your purchase), you'll find an additional 21 patterns + 10 bonus borders to download for free! That's 122 patterns + 10 bonus borders for only 3.95! But the benefits aren't just the visual appeal... When You Use The Zendoodle Method Daily You'll Begin To See Changes In Your Life And Your Mindset In A Big Way. How? Well, Zendoodle was originally developed as a way to practice mindfulness and meditation through the repetitive art of drawing these simple, but challenging patterns...each stroke of your pen brings you closer to the 'zen' in Zendoodle. So, if you're looking for a way to create beautiful artwork that only looks impossible (but is actually quite simple!) then be sure to grab your copy today. That's over 100, never-before-released patterns--including step by step instructions to recreate them in your own artwork! If you need some encouragement and inspiration to create your own Zendoodle artwork, then let me be your guide and help you along your Zendoodle journey! ==> Scroll up and click the 'Buy' button to get your copy now!

Customer Reviews

This book has designs, but it explains the patterns as well. If you are interested in following or being a future artist this is the book for you. It explains many patterns and how to draw them.

Olivia gives us 5 to 6 simple steps to follow, along with 2 sets of 6 blank blocks to practice. Also, she includes examples of how we could combine patterns, along with large blank squares to practice. Smaller size of the book makes it easy to throw into my purse, have to admit that I'm taking it everywhere. If Olivia doesn't have a sequel available when I finish this one, I'll have to buy this it again!

Ms Summers delivers what she promises, 101 new doodles. I will use most of them I am sure. The pictures she offers every 5 or 6 pages (then tells you which of the 101 doodles she's using) have helped me develop my own artistic perspective. These doodles can be simple. Most have a certain complexity to them. Best for those with intermediate or advanced practice in doodling I would say.

I love this new collection of zendoodle patterns! It's so nice to sit and browse through Olivia's new book and just enjoy looking at the lovely designs. Then I pick up my pens and begin to meditate in drawing my zendoodles! Thanks so much Olivia!

I'm a newbie but I must say that I am loving this! Ms Sommers' illustrations and easy to understand instructions make for easy understanding. I own all of her Zendoodle books 1-4. I'm still practicing...

What a deal on this book! Ordered this for my Nook which I have the Kindle app on. Instant download and 101 great patterns. Highly recommend.

Great series and this last one does not disappoint!

Just as promised
