Josephine's Guest House Quilt (East Perry County Series Book 2)

Synopsis

Ann Hazelwood's delightful new series continues in Josephine's Guest House Quilt. Kate Meyr continues to be charmed by the beauty of Borna, Missouri. Now, after encouragement from her friends Clark and Ellie, she decides to turn her home into a guesthouse, which East Perry County desperately needs. Wanting to acknowledge Dr. Paulson and his wife, Josephine, whose spirit still haunts the home, she names her new business Josephine's Guest House. Kate also commissions a quilt to be made by her friend Ruth Ann to hang in the entry hall for guests to sign. Everything seems to be coming together and guests are intrigued by Josephine's presence, but why do some of the guests' names disappear from the signature quilt and some remain?

Customer Reviews

The story itself is good but hard to categorize. While it talks about quilting, it is more peripheral than

focus. It is not a romance as focus and it is certainly not a mystery. The characters are interesting as is the small town feeling. That is the most I can say for it. The writing itself could certainly do with a good proofreader as the missing words, misspelled words and poor grammar are really distracting. I would not read an earlier book in this series, nor would I read any subsequent additions.

I have purchased all of Ann Hazlewood's books. I hope there is more than (2) of the East Perry County Series. You will love the first collection of Colebridge Community Series of (7) books. I bought them all and love each and every one. Ann Hazlewood is a fantastic Author. I hope she never quits writing more quilting stories. I will be first in line to purchase them all on . A quilter....lola Moore, Oroville, California

This series is a pretty easy read but I love them!! There's enough going on to hold your interest in the stories and the people. I am anxiously waiting for book #4 to be released. I hope it's soon!!

The characters are likeable and real. Fast paced with a cliffhanger ending! I am on the edge of my seat waiting for the next in the series. The town's in the book make you want to visit and meet all the characters and see the sights.

Enjoying reading the 2nd instalment of Ann Hazelwood's new series. Can't wait for the next one to come out. Ann has good development of characters and you feel like they are your friends. I'd love to stay at Josephine's Guest house. Of course a lot of the book is predictable, but that is true of most books.

Ann Hazelwood writes a wonderful book. You could never go wrong reading one of her books

I had read Ann Hazelwood's Colebridge series. It was excellent! It is the kind of book that you just can't put down! This series is the same way! I can't wait for the new books of this series to come out! I have read the first two already!

Loved it. Only violence was an attempted assault.
