DK Eyewitness Travel Guide: Mexico

Synopsis

DK Eyewitness Travel Guide: Mexico will lead you straight to the best attractions this beautiful country has to offer, from Mexico City to the Gulf Coast and the YucatÃƒÂ¡n Peninsula. Hike the Cooper Canyon, go salsa dancing in Mexico City, or dive in the Mexican Caribbean. This newly updated guidebook will help you explore Mexico region-by-region, from the ancient city of TeotihuacÃƒÂ¡n to the Mayan rain forest city of Calakmul. Discover DK Eyewitness Travel Guide: Mexico.

Detailed itineraries and "don't-miss" destination highlights at a glance.

Illustrated cutaway 3-D drawings of important sights.

Floor plans and guided visitor information for major museums.

Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area.

Area maps marked with sights.

Detailed city maps include a street finder index for easy navigation.

Insights into history and culture to help you understand the stories behind the sights.

Hotel and restaurant listings highlight DK Choice special recommendations.

With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Mexico truly shows you what others only tell you.

Series Overview: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more.

DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

Customer Reviews

Mexico is a heady sort of place; it inundates you with sights, sounds, smells, tastes, and tactile sensations. A dry text, no matter how informative, just doesn't do justice to Mexico's allure. DK's Eyewitness Travel Guide series, on the other hand, does. Sure, it provides the necessary data points. The "Travelers' Needs" section contains 168 recommended hotel options and another 168 restaurants--as well as a beautifully illustrated guide to the foods of Mexico. And there are pages of practical information on visas, health precautions, time zones, electricity, taxis, security, banking, communications, and the like. But DK's guide provides far more inspirational than a mere collection of data. The two-page glossy color map of Mexico is not just clear and easy to understand, it's beautiful. The hundreds of color photographs throughout the book are exquisite, depicting the sere hilltop archeological site of Monte AlbÃ¡n, fishermen preparing nets on a YucatÃ¡n beach, the vibrancy of a fruit market in San CristÃ³bal de las Casas, the green lushness of the wetlands, the scrub of the Sonora desert, and the intense vegetation of the Tehuantepec rainforests. There are 3-D aerial-view layouts of towns and ancient sites, cutaways and floor plans for churches and pyramids, as well as wonderful explanatory texts for each region, delving into history, traditions, sights, fiestas, foods, music, and activities. DK's is a guide book that is actually a pleasure to use--one that adds excitement to the necessary task of planning your vacation. --Stephanie Gold

"This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overviewâ€¢â€| loaded with practical and useful content." â€¢ Gadling.com"Knownâ€¢â€| for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." â€¢ Chicago Tribune"The best optionâ€¢â€| Color photos, maps, and diagrams bring the place to life." â€¢ The Philadelphia Inquirer

Love these guides. Our family has over 30 of them from our travels around the world. We find them to be a great mix of bright splashy photos and sage advice. This isn't the guide to get for existing on a budget or find the corner hole pub that NO ONE knows about. This is the guide to read, understand, get easy assistance and make the most of some family time or extended travel time in

MEX. Bravo... as always.

Excellent source for history and travel information. I always buy an Eyewitness Travel book when I'm planning to travel. Beautiful photos, historical timelines and thorough information. Even if you aren't planning to travel these books are perfect for an armchair traveler too.

Not enough information on places to visit , restaurants to visit and proprietors to frequent.Glitz but not substantive

I've used Eyewitness guides for about 10 years. I quite like the way they are organized. Strong points of these guides include:(1) Historical timeline; key points identified with good breadth & depth(2) Traveler's Survival Guide section has accurate & helpful information(3) Wonderful walking guides with three-dimensional maps so that one does not overlook the not-to-be missed sites, monuments, buildings, works of art, cultural highlights, etc.(4) Well-organized into provinces and major sections of cities that help tremendously in maximizing time so that one is not back-tracking or wandering hither and yon.(5) Many good color photos and illustrations of major attractionsMy one major dissatisfaction is that no phonetic pronunciation of cities, attractions, historical figures, etc. is included. That one small feature would be tremendously helpful and appreciated.

I have purchased several DK Eyewitness Travel Guides through the years to help plan foreign excursions. They have always been most helpful. I was planning a trip to Monterrey, Mexico, so I purchased this guide. The guide has wonderful information on many topics. Monterrey isn't one of those topics. There were three small paragraphs on the third largest city in Mexico, and no restaurant or lodging recommendations. I wasted my money.

Extremely happy with the purchase. Recommended seller

I used this guide a lot in Mexico City during the past couple of years. I seem to like the format of Eyewitness Travel's guides better than others. I highly recommend this guide!

I love this book! The photos and descriptions of the architecture, landscape, and different cultural regions are right on point. This book makes you want to discover or re-discover Mexico and its treasures. It is definitely a book you can read over and over again. I am very happy I purchased it.
