Foo Fighters Ultimate Drum Play-Along Book With 2 CDs (Ultimate Play-Along)

Synopsis

(DRUM PLAY-ALONG). Exact drum transcriptions to eight Foo Fighters rock anthems, with two CDs featuring two versions of every song: an instrumental sound-alike recording, and a version without drums so you can play along. Titles: All My Life * Learn to Fly * Everlong * Monkey Wrench * My Hero * Best of You * The Pretender * Walk. The CDs also feature the Tone 'n' Tempo Changer software that allows you to use them in Macs or PCs to loop sections for practice, slow tracks down or speed them up without changing pitch, change the key, and switch back and forth between the full-instrumental and play-along tracks.

Customer Reviews

My son loves the book. Maybe I shouldn't have purchased, its all he wants to play. haha

Really cool book - gotta love the foos!

I love this set of cd's and book...still learning from it...great to jam to for sure!

some of the songs are somewhat above my level of playing. Gives me something to achieve over time. I am a big Foo fan and I will get all of these songs down.

Fantastic purchase

This device uses a proprietary program to run the audio. It does not have an obvious android program. My PC is nowhere near my drums and therefore I cannot run the music and lose the entire play-a-long feature...

I love the Foo Fighters and thought this would be fun to jam along with a few of my fave tracks since purchasing a new E-kit. Well, the music is there alright but the mix is kinda crappy as it is not the Foo Fighters actually playing these and...there is no vocal track!!! When I play, I kinda use the vocal track to cue in on things and without them, this thing is useless. Of course, I can't send it back because it has two cd's in it. Save your money if you are looking for quality and a vocal track too!
