Dr. Warren W. Wiersbe is an internationally known Bible teacher and the former pastor of three churches, including the Moody Church in Chicago. For ten years he served as general director and Bible teacher for the Back to the Bible radio broadcast. Dr. Wiersbe has written more than 150 books, including the popular "Be" series of expositional Bible studies, which has sold more than four million copies. In 2002, he was awarded the Jordon Lifetime Achievement Award by the Evangelical Christian Publishers Association. He and his wife, Betty, live in Lincoln, Nebraska.

The Lord has truly blessed Warren Wiersbe. My only wish is that I could have sat under him during his time as pastor as I would have loved to hear his sermons first hand (though I listen to them over the radio all the time). For those who are familiar with Warren Wiersbe, this book reads just like you are hearing one of his wonderful sermons, while also giving you the feeling of talking with a friend over a cup of coffee. I can literally hear his voice as he explains parts of scripture (which he does in great depth). This book sits beside my bed, along with my Bible, when I'm away and have forgotten to bring this commentary, I truly miss it!

Excellent commentary on the Old Testament. He has some great insights. I was going through some pain with some fool attacking me. I read his comments on a fool in the Proverbs section. It was what I needed and helped and comforted me so much. Don't waste your time arguing with a fool or you'll be just like him. I'm still reading the rest of the book.

This is an amazing commentary. I am in love with how clear, concise and indepth Wiersbe is in his commentaries. Very well written and leads to tremendously beautiful and spirit led discussions. Highly recommend this no matter where you are in your journey. I will be purchase the 2nd volume!

I have used this commentary and it provided an enlightened view of the scriptures. Thank you for writing and publishing this great commentary.

Very helpful with my Bible study!

This book comes in handy for those who actually like to read their Bible and study it for all it's worth. Warren Wiersbe is a powerful communicator of the truths of scripture, but what I like most of all is his simple explanations which anyone can understand. Often on a difficult scripture (while counseling) I have pulled out his book and read the paragraph along with the scripture passage, how many other commentaries could you do that with? I have had the privilege of sitting under a Warren Wiersbe taught class and also know that his heart seeks for others to learn more about God. I believe this same goal shows up in this book. Recommend to any Pastor, teacher, or lay person.

Anything by Warren Wiersbe is God-inspired and user friendly! He brings God into your life in a very practical, easy-to-understand way.

Absolutely the best Study Bible I have read
