The Raging Fires: Book 3 (Merlin Saga)

Synopsis

In this the third story in his Arthurian epic, T. A. Barron adds a thrilling new dimension to the legend of Merlin. Wings of Fire, the sleeping dragon, has awakened, threatening to loose his terrible wrath on all of Fincayra. Only young Merlin, grandson of the great wizard Tuatha, can stop him, though the price may well be the young wizard's life. But before he can face the dragon's fires, Merlin must endure fires of other kinds—including those within himself. He must face the evil, batlike kreelixes who exist only to destroy magic; the mysterious Wheel of Wye; and the sorceress Urnalda, who holds the treasured Galator. Most challenging, young Merlin must discover not the power but the source of his own magic.

T.A. Barron is the award-winning author of fantasy novels such as The Lost Years of Merlin epic—soon to be a major motion picture. He serves on a variety of environmental and educational boards including The Nature Conservancy and The Land and Water Fund of the Rockies, and is the founder of a national award for heroic children. Following a life-changing

decision to leave a successful business career to write full-time in 1990, Barron has written seventeen books, but is happiest when on the mountain trails with his wife, Currie, and their five children.

The merlin saga is SO RAD! I read these years ago when I was but a youngster, and my brother is the same age as I was so I bought this and the other books for him and hes hooked. Great buy as a gift, or if you like Harry Potter type stories!

Excellent book really keeps your interest.

I would love to write a big long review, but I'm speechless. But I will say is that if you read this book you will never be able to put it down.

I was so sad in the ending I nearly died in tears I loved it so much it made me feel more creative I'm reading his Merlin series so I hope to have a lot more fun

You can say Merlin is my dream world mentor. And book 3 hits another home run. Merlin has more challenges to overcome. So many questions to find answers. So many tasks to battle. Who are his real friends? Who can he really trust?. New and magical friends are found. And things seen for centuries are not what they seem in the end. 5 STARS...Izzy

I love these books. I don't think it's ever really gotten boring or felt like it dragged. Especially if you are already into this kind of reading material. Love the story. I recommend it to anyone.

Given as a gift and the recipient loved it.

I love this series. It is one of the best I have read. I recommend this book for people who like fantasy fiction
