## Customer Reviews

ANDROMEDA ROMANO-LAX has been a journalist, a travel writer, and a serious amateur cellist. The Spanish Bow is her first novel. She lives in Anchorage, Alaska, with her family. Sherwonit is an outdoors/nature writer.

Totally useless book...more like a nice travel brochure. Took us more time to order it (and return it) than to read it. If you need/want a book, spend the money and get a Lonely Planet instead.

Keep your \$10 and search the web instead. 94 small pages. Mostly history, very little info to help you plan your trip. "A Traveler's Guide" - I don't think so.
