# Are We Having Any Fun Yet?: The Cooking & Partying Handbook

## Synopsis

Indulge yourself in the superstar rocker and #1 New York Times bestselling author's raucous and delicious lifestyle with this bold cookbook and entertaining guide, complete with stories from a lifetime of food, signature recipes and drinks, and featuring lavish full-color photos. For over twenty years, Sammy Hagar has redefined the relationship between good food and good music through his iconic Cabo Wabo tequila brand, his popular chain of Cabo Wabo Cantina restaurants, and his newly launched rum •Sammy's Beach Bar Rum. Now with *Are We Having Any Fun Yet?* any Sammy fan can eat, drink, and party like the Red Rocker himself, as Sammy shares his love of food, drinks, and rock-and-roll. Bringing you into the kitchen, behind the bar, and into the center of the party like never before, Sammy shares his deep passion for food and his secrets for rock-and-roll entertaining, including his favorite recipes from home, on the road, and his go-to vacation spots, Cabo and Maui. Coming along for the ride are a wealth of crazy tales, celebrity chefs from around the globe, and stories that reveal the inspiration behind his favorite recipes. Tracing Sammy's culinary path through the decades, *Are We Having Any Fun Yet?* offers a fascinating glimpse into Sammy's evolution as a cook and as a musician, showing how these twin passions have fueled each other, and how he brings a rock star attitude of simplicity and fun to everything he does in the kitchen. Of course, nothing goes better with a great meal than a good drink. Here are Sammy's greatest drink recipes accompanied by true stories of the wild nights that brought them to life. With even more rock stories from the road and his table, over fifty food and drink recipes, and Sammy's tips for entertaining like a rock star, *Are We Having Any Fun Yet?* gives fans everything they need to party the Cabo Wabo way.

## Customer Reviews

The only thing I'm allergic to is bad music and bad food! So what I'm telling you is that Sammy's cookbook is just what Dr. Feelgood ordered!! This book you're holding has all the recipes for good food, good music, and one hell of a party!! (Tommy Lee) When a guy writes a hit song called *Mas Tequila*, you know he can throw a serious party. And after touring all over the world for the last 30 years, my brutha Sammy Hagar has gained a serious appreciation for great food. (Guy Fieri) Everyone knows Sammy Hagar rocks, but let me tell you--he knows how to mix too, a great cocktail that is. (Rachel Ray) Sammy was the first celebrity to start a tequila business the entire industry had to take notice of Cabo Wabo. He grew it so big we had to buy our competition! (Luca Garavoglia, the owner of Gruppo Campari) |my favorite time with Sammy is usually some place where he is cooking and kicking back in a home kitchen environment. Like his lyrics and inimitably delightful *sledge hammer* wrapped in a mink stole voice, his cooking is nuanced, fun, well-conceived and above all super delicious. (Mario Batali) In his new book, *Are We Having Any Fun Yet?* he will not only show you how to throw the perfect party, but also how to make all your friends a bit happier. (Michael Symon, chef and host of *The Chew*)

For over twenty years, superstar rocker and New York Times bestselling author Sammy Hagar has been a culinary fixture through his iconic Cabo Wabo Tequila brand and his legendary restaurants. In *Are We Having Any Fun Yet?*, Sammy brings you into the kitchen, behind the bar, and into the center of the party like never before, spilling his secrets from a lifetime of rock-and-roll entertaining and making kick-ass food. Collecting his favorite recipes from home, the road, and his go-to vacation spots, Cabo and Maui, Sammy shows how you can bring a bit of rock and roll to every meal, with a step-by-step approach to preparing his favorite recipes and a bunch of celebrity chefs from around the globe to come along for the ride. Of course, nothing goes better with a great meal than a good drink. Here too are Sammy's greatest drink recipes accompanied by true stories of the wild nights that brought them to life. Complete with even more rock stories from the road and his table, over fifty food and drink recipes, and Sammy's tips for entertaining like a rock star, *Are We Having Any Fun Yet?* shows you how to eat, drink, and party like the Red Rocker himself.

I love anything Sammy. Have tried some of the recipes and they are good. Love the stories, but I almost wish it had more recipes and less stories. I love the fact that he didn't edit out the blue language - by god I pay for it I wanna read it in his words, not from an editor eyes. Brings it to a personal level for me. It does give the reader a glimpse into how Sammy became a foodie, and how his culinary tastes have evolved over the years. Enjoyable read for the Sammy fan.

Truth be told, I'm don't typically like to read. I'm a daydreamer and get easily sidetracked with most reading material. This book however interested me a great deal, given the subject matter and author, so I thought I would give it a shot. He uses back stories of his career and genesis of the Cabo Wabo scene, and mixes recipes in here/there around the stories. So it's part autobiography and part cookbook...keeping it interesting along the way with a ton of good images. I highly recommend this book to anyone liking rock n roll and southwestern/mexican cuisine. It's a book that will join the precious few in my library!

This is part cookbook and part fun read. Sammy's familiarity with food is very surprising, and the recipes are really well thought out and yummy. The musical trivia is a lot of fun, too! Note: this is NOT for minors - there are lots of F-bombs.

A fun cookbook with recipes I can actually get the ingredients in Ohio. We love the side stories from Sammy. This fan loved it

This is exactly what you'd expect. Old stories about the glory days of being a rock star followed up with some pretty basic home-cook recipes.

Item was a gift for a Hagar fan, who is also a BBQ afficiando. Recipient really likes the book.

Love the stories that go along with some great recipies in this new book by Sammy. Many awesome pictures of Cabo, Maui, & Mill Valley as well as the food he creates. Using fresh herbs and fruits from his own backyard gardens, makes these creations even more appealing. Sammy's Beach Bar Rum is a really good tasting start to the cocktail section of this book. "Are We Having Any Fun Yet" ? We Absolutely Are!! The Red Rocker has done it again.

Item as described!
