Customer Reviews

i got lost in the guide before i even got lost in rio. too many unnecessary cluttering words and the maps are completely useless, as in, the resolution is barely enough to make out the letters. no hyperlinks. i couldn't even tell where i am in the book. save your money.

Unpretentious & detailed. I always trust "Rough Guide" recommendations for ALL of our vacations. Useful Maps, great suggestions and price guides to hotels and restaurants.
