Customer Reviews

I love Jim Brickman music!

I loved getting this book because I love Jim Brickman's music! I was very pleased with the price, amount of time it took for it to arrive to me, and to find that it was in excellent condition as was described by the seller. I'd recommend this product to musicians who love playing good old Christmas music a little differently than normal, but with a cozy effect.

Excellant condition!

Beautiful music. If you like to play piano, this book is perfect for Christmas. Challenging and enjoyable for the pianist.

Love it.

Jim Brickman is one of the best popular pianist of the day. His music is not so hard that you have to be classically trained to enjoy it, but his rich style makes it extremely enjoyable. I would highly recomend this book to anyone looking for good new holiday arrangements.
