Book by Isbell, Robert, Thompson, Joseph F.

a good photographic introduction to 25+ Atlanta neighborhoods. The book is dated now as many of the neighborhoods have changed over the years. (some for the better, some not)The book is an easy read with lots of photos. Many of the photos are of houses in the neighborhoods highlighted.I'd love to see an updated version of the book to see what has changed since its publication

Nice pictures of my adopted hometown.
