## Synopsis

When Suzie is abducted by her sadistic ex-boyfriend Larry the Lizard (who happens to be a doctor) and a sexy alien named Bob, she isn't quite sure what they have planned for her. But she is convinced it can't be good. But as Larry and Bob tie her up and prepare to experiment on her body, she can't help but wonder - why is this turning her on? Warning: This is a 10,000+ word short story that includes adult situations between a human female, a sadistic doctor, and one two-dicked alien. It features explicit sex scenes. For Mature Audiences Only!\*\*\*\*\*An excerpt: I was in a different place when I came to; strapped, half-sitting, half-lying-down to a table that looked like the kind in a doctor's office. My legs were spread wide with stirrups; my thighs had straps holding them in place, as did my waist. My hands were tied above my head again. I could arch my shoulders a little bit, pushing my breasts up in the air, but I couldn't otherwise move. Above my head was a contraption that sent shudders of horror through me. As best as I could describe, it looked like an upside down half-circle, but writhing from it were hundreds of arms. Or were they tentacles? Each one of the arms ended in a device meant to torture me. Dildos. Clamps. Alligator clips. Tweezers. Plugs. Needles. (Gulp.) Tubes. Nozzles. This was a nightmarish combination of Japanese Hentai and the Evil Doctor's Lair. I was petrified. Strangely, I also felt my nipples perk up, my pussy moisten. "Quite a little shop of horrors, don't you think, Suzie?" Larry's voice sounded in my ear. I fought not to recoil from him; tried to keep my fear from showing. My fear would only arouse the bastard. I didn't bother replying. He reached over, pinched my nipples harshly, twisting them and pulling them till my eyes had tears in them. "I'd suggest replying to my question, Suzie." Jerk. "Yes, it's quite the little shop of horrors." My tone was even. No fear; I was proud of myself. "Now, the machine won't work for me, just Bob here, so Bob's going to be operating it for me. Bob, come forward." Bob moved forward; his eyes on me. His eyes were expressionless, but his lips were trying not to twitch. "What's so funny?" I snapped that thought at him, trying not to look at the twin cocks. I could hear his laugh in my mind, rich and warm. "Suzie, your fantasies are very rich, shall we say? In other circumstances, I'd have been happy to give you a personal tour of this machine. As it is, we'll be doing what Larry wants." Larry's voice spoke. "I want that bitch's breasts hurting, Bob." \*\*\*\*\*

## Customer Reviews

didn't get the title until reading this story. Throw an Alien, with two dicks no less, a doctor and a virgin together and you are in for a whole truck load of kinky action. Wow! This is the cream of the cream of hot and dirty. Well that I've read in a while anyway.

I have read the entire series twice. I enjoyed the creativity of the story. The sex scenes were interesting, well-described, and hot. I enjoyed the humor in the book, as well. I would encourage anyone who is interested in this genre to check out Tara Crescent's work. It's so interesting and well-paced that it's hard to put down. Please pardon the gushing, but I am a big fan.

This was a short and entertaining read. The title says it all.. you have a sexy alien and a doctor ex-boyfriend and a virgin. This is a recipe for kinky, alien lovin' fun and anything goes. I would have really liked to see the story go on. I wanted to know what was going to happen to Larry the Lizard and how Bob the alien and Suzie end up and if they were going to use that table again. \*waggles eyebrows\* Overall, totally a fun read and worth the price (\$.99) on .

a ex boyfriend who is a doctor an alien a virgin and a boat load of dirty action

Have to keep reading the rest of the books but so far liked this one will keep reading and see

Loved it

The beginning of a kinky and fun romp through the universe with a hero, a villain, a beautiful woman, and surprising character depth. I enjoyed it very much!

Different but nothing to write home about.
