Customer Reviews

This book lays such a strong foundation of helpful terminology, techniques and relevant practice exercises, that whomever has the pleasure of reading it will no doubt improve as a percussionist but overall find new avenues within themselves as a musician. I highly recommend this book to whomever wishes to broaden their knowledge in the field of drumming, but also challenge the rudimentary teachings in search of a new, more interactive learning experience.

Dear Customers The Modern Drum Set Sticking book is an amazing tool for every musician, Just the Musical Check list alone makes you want to buy the book...it teaches you about a) melody, singing the melody, how to create drum melodies through beat boxing, melodic syllables b) pulse/ different

subdivisions/ counting c) great stickings in duplet and triplet meter/ with Sticking charts d) orchestration of stickings....how to orchestrate e) dynamics f) resolution points/ musical accents over 90 audios.....an amazing product...also linear playing/ Brazilian and West Indies Riddims/ Basic Polyrhythms/ Flams/ Drags/ Cheeses.....great independence and interdependence exercises must have in any serious teachers and students library.....

Very knowledgeable information

The book makes you sing on the drums. It's also great for non-drummers to get a feel of the mental cognition of a drummer and how the drumset operates in both ensemble settings and compositional activities.

Ho hum. There are some nice ideas in here but it suffers from a mechanical rather than innovative approach.

Swiss Chris has offered a wonderful book which helps players of all levels work on their chops while finding enjoyment in the exercises set forth. I love how I am reminded of my earlier studies (using Syncopation and Stick Control) but this time behind the drum kit. Bravo on a wonderful addition to any serious musicians library!! Back to the practice room!

I am currently working with this Amazing book Authored by Swiss Chriss and I see that even in a few short weeks that I have added it to my daily routine I am increasing Speed, Accuracy and Balance between right side left side dexterity and communication, I see my reading and application of these exercises in my playing and being expressed in my fill library! it is a great Resource I would recommend it for use with Teachers. Drum Schools, Camps, Clinics as a lift off point to all seeking more and better Drumming! Lori Condarcure Free Lance Drummer/Vocalist

As a drummer, I've read TONS of instructional books, tutorials, etc., but Modern Drum set Stickings is BY FAR one of the most informative, understandable and fun books to work out of. The play along CD is awesome as well. 5/5 a must-have!
