Disney Star Vs The Forces Of Evil: Deep Trouble: Comics Collection

Synopsis

Star Butterfly, everyone's favorite fun-loving teen princess, may be a little out of this world, but she would do anything for her friends. So when Star hears that her princess bestie, Pony Head, is wrongfully imprisoned, Star springs into action to prove Pony Head's innocence! Don't miss Star and her best Earth-friend, Marco risk their own freedom in one crazy adventure after another, all in the hope of exonerating the mischievous Pony Head. Written and illustrated by Zach Marcus and Devin Taylor, members of the Star vs the Forces of Evil creative team, the quirky outrageousness of Disney XD's most magical, interdimensional show comes to life in this collection of issue 1-4 of the original comic books series from Joe Books.

Book Information

Disney Publishing Worldwide (DPW) is the world's largest publisher of children's books and magazines, igniting imagination through storytelling. DPW creates and publishes books and magazines both vertically in-house and through an extensive worldwide licensing structure.

Headquartered in Glendale, California, within the Disney Consumer Products and Interactive Media business segment, DPW publishes books, magazines and digital products in 85 countries in 75 languages. For more information, visit disneypublishingworldwide.com.

I had purchased this comic trade based on my enjoyment of the cartoon. I am currently in the middle of season 2 and felt like seeing what other Star products there might be out there. The comic has some weird short comings, but overall is pretty decent in spirit of the show. Let's check out my bullet points.

Pros: 1. Illustration is very clean and a perfect representation of the show. A lot of other cartoon to comic adaptions seem to take weird artistic liberties with the characters likeness - Regular show for instance.

2. The tone is mostly right on with the show. Didn't get as many laughs out of me, but it was enjoyable.

Cons: 1. The stories within are a bit of a mess, at least read as a collected work. Pony head is on trial is the opening and closing stories. Then we have a story with Star's parents from the past and a story about Glosseryck in between the trial. There is hardly any connection between any of the stories except for Star and Marco jumping from scene to scene. These stories would work fine on their own, but I feel like they are weak when trying to segue into each other.

2. The book is weirdly shrunk down. Compared to the loose comic, you lose about an inch from the top and about half an inch on the side. You still get a fair representation of the story, but everything is tinier. (I will upload some pics for comparison)

3. Because of the shrinking and strange formatting of the trade paper back, images are often cut off on the outer margins or are so far in the binding you practically get a cut off image as well. (see pictures for comparison)

4. In the trade version, many SFX noises are added that weren't present in the original comic. Also, formatting of word bubbles and typeface was changed as well in a couple of instances. This isn't the worst thing in the world I suppose, more odd than anything else. BUT if you are looking for a true, complete collection of the comics AS IS, then this is not it. This has been altered (SEE PICS)

5. The preview of the Cine Story comic line originally in the loose comics is not present in this. I suppose that was left out to motivate you to buy the other volume, but they at least could have had chapter 1 as a preview in the back. So I guess I would recommend this to a fan looking to pick up the comics on the cheap. You probably save about \$5.00 this way. However, for the hard core fans, I would say do yourself a favor and get the four loose issues. Your reading enjoyment will be much higher.

If you love Star vs FOE, and you should cause it's great, you'll like this comic. It's not complete, hopefully a volume 2 will come out soon, but until then it's still a great read

This is a great comic. I loved it. I highly recommend this to any SVTFoE fan who's looking to fill the void until season 3 continues this fall.

My child LOVED this! Be aware it is written in comic book style form and uses some words that

aren't real but my non-reader loved it so much it was worth it!

Great reading! She loves it!!!

I love it! It gets all the characters right and the plot is hilarious! Can't wait for the continuation!

Very enjoyable, a great complement to the series!

I can't wait for the rest!
