This family thrives on d-r-a-m-a!!!! Molestation, suicide, baby daddy drama, baby mama drama, unexpected pregnancies, violence you name it, its here. Good read, I hate that one book is broken up into so many parts! Have faith in your work and make one book. You're an awesome talent. Jmo

I continue to read these books and am up to the 8th book. I want to see what happens with the family and I'm addicted, I admit. It's worth the money. The author keeps it interesting and lively. Never a dull moment.
