Easy Indian Super Meals: For Babies, Toddlers And The Family

Synopsis

Easy Indian Super Meals takes flavor-inspiration from Indian home-cooking, combining ingredients naturally full of goodness—“Super Foods” with ingredients naturally packed with flavor—“Super Spices” to create simple, super-delicious recipes suitable for children from 7 months old. Adding toddler-friendly spices to your child’s meals is a fantastic way to encourage them to love their food. Oregano and mint, nutmeg, cinnamon, turmeric and ground cumin, for example, add delicious flavor fast and offer natural health benefits too. Watch your child happily munch their way through Mint and Coriander Veggie Stew, Creamy Sweet Potato Dream or Saffron Date Kheer (creamy rice pudding), looking forward to every mealtime and each new food you share with them. There is no added salt, sugar or chillies. Includes dual measures.
