What God Has Joined Together

Synopsis

Raised by God-fearing parents, Bentley Rose and Nylah Christiansen are taught to live and breathe by the Bible and have done everything by the book. But when outside influences threaten their union, insecurities and doubts set in, and temptation tarnishes everything they've worked towards, divorce is inevitable. Bentley and Nylah find themselves facing the biggest crossroad of their lives while clinging to the foundation that has now failed them. Much to their families' dismay, their near-perfect lives come crashing down and their love story comes to an end. Deciding to remain close for their daughter's sake, Bentley prepares to remarry and Nylah struggles to move forward from her unrequited love. Through tears, trials, couple's counseling, and their daughter's prayers, the two realize that their relationship was fashioned in the Heavens, and discover that what God put together, no man, woman, or anything in between, can separate.

Customer Reviews

If you are looking for a good wholesome Christian fiction book, then What God Has Joined Together is perfect. It is not only a page turner, but it is a reminder that "what God puts together, let no man

put asunder." I like how everything that happens in the novel points back to that scripture. I would have liked to know if Nylah ever reached back out to Dr. Lynn, and if she did, I would have liked to know what the conversation was about. In any case, great read!

What God put together let no man separate! Amen! The whole book was great from beginning to end. It kept me guessing. There were twists and turns. It was extraordinary!

This story shows a true look at how relationships can look to be great but really not. How if you don't truly tell people what you think or feel it can lead to all kinds of self-destruction.

I enjoyed this book. Well written!!

Will reread.. This book was writing and speaking to my marriage.. This was more of a lesson that was being taught.

This is mmmmm~mmmmmmmmmmmm yes, yes, yes, yes yes yes yes yes yes yes yes yes yes yes yes yes yes yes

To dry and flat.

This book was on point I could not put it down!!! What can I say, I laugh, I cried, I cheered. It was suspense it had everything. Thank you Ms. Shaw. This is the first book I've read by you, but believe me it will not be the last. It had a lesson to be learnt and romance. I did not want this book to end.
