works better now that i know how to focus on the amount i need, Nitika will some time split funds it sends if the whole amount cant be obtained from one source. ex: i asked for \$ 2,500. the first amount i received was \$1,700. At that point i only really needed 850 more, so i redirected my focus on the 850, instead of continuing to ask for the amount of 2500. a few days later, right before the deadline 1000 rolled in. So the lesson here is, its coming. Even if its a close call. Sometimes the whole amount cant be dumped off all at once. focus on the actual amount u need minus what u already got. hope this helps. cheers

I purchased this book about a month and a half ago and took some time contemplating before actually digging in, making the book, and performing the short but sweet ritual. At first my concern was whether this was safe. My only experience with spiritual beings have been dealing with angels or nasty unwelcomed entities that I would have to drive away. I can tell you that Nitika is not to be feared. Just treat him with respect and he will reciprocate. Also I like Damon's Facebook page and contacted him a few times with any concerns I had. He was very patient and helpful with me, as I am a newbie to evocational magick. Now let me get to my results. The first try did not work. This is because the amount I asked for was too much for me to believe I can really have! So I tried it again with a lower amount and did the ritual for 13 days straight and nothing happened. I just gave up, put my book away, and thought that this isn't for me. I didn't practice any magick at all since then. Lo and behold, 3 weeks later the money I asked for appeared in a very unexpected way and was even a little bit more than I asked for! I don't normally write reviews but I feel compelled to out of gratitude to Damon and Nitika. Pay careful attention to what Damon writes about 'Lust for result'. So give this book a try! I will be on the lookout for more books from Damon. Wishing prosperity and blessings to

all :)

Was so poor that even the \$4.95 was a burden (to buy the book), and putting together a Cashbook was not option, so I improvised & I Believed. And you know what? It worked! In a little over 2 weeks I had the \$500., I needed for my rent and all because of Nitika & Damon Brand---Thank You Both, and just like George Jefferson " I'm moving on up", & you will too, if u buy this book. CHEERS

The first working I did, I asked for \$1,000. Only a few days after finishing the 11 day ritual, we received notice of a relatives estate settlement from the fall of last year. We got a check in the mail for \$7k! Completely unexpected because we didn't expect to get more than a few hundred dollars, maybe \$1k at best. Craziest results and timing I've gotten from any working, and I've been practicing magic for 6 years.

It worked! I've been a believer in the Law of Attraction for many years, but decided that a dose of magic might help me as well. I received more than double the amount I'd asked for! I did the ritual for a total of eleven days. My reward manifested this morning. Thank you. I'll be purchasing more Damon Brand books. :-)

I have used this book to help myself, and also my life partner's church, and have recommended it to all of my Apprentices of whom many now put it to use every day. If you need some extra money to help you get by or take care a special project then this is your ticket to get what you need. The instructions are very simple and straightforward, and watching this work is a lot of fun as well. Thank-you, Damon Brand!

One of the most magickal experience I ever had. I took me some time to assemble all of the ingredients and I was patient and it was successful. My only piece of advice is to really pay attention to the instructions. I wish I could say more but Magick is very serious and to just wrap it all up in a review is senseless. This Magickal Cashbook has to be protected and kept for life. So make sure you a private place where it can be kept. This works so clearly you'll be left with no doubt.

The book was quick and easy to read and understand. The spell itself was simple. It took 10 days to work. Requested \$1000 and got \$812.50. Will try it again and this time worry less about the result and try to raise my own vibration..
