Praying The Names Of God

Synopsis

A twenty-six-week devotional study by the bestselling coauthor of *Women of the Bible*. Names in the ancient world did more than simply distinguish one person from another, they often conveyed the essential nature and character of a person. This is especially true when it comes to the names of God recorded in the Bible. *Praying the Names of God* explores the primary names and titles of God in the Old Testament to reveal the deeper meanings behind them. El Shaddai, Elohim, Adonai, Abba, El Elyon—God Almighty, Mighty Creator, Lord, Father, God Most High—these are just a few of the names and titles of God that yield rich insights into his nature and character. *Praying the Names of God* shows readers how to study and pray God's names by focusing each week on one of the primary names or titles of God: Monday—readers study a portion of Scripture that reveals the name. Tuesday—readers pray specific Scripture passages related to the name. Wednesday—readers pray Scripture promises connected to the name. By incorporating the divine names and titles into their prayers and learning about the biblical context in which the name was revealed—readers will gain a more intimate understanding of who God is and how he can be relied on in every circumstance of their lives. *Praying the Names of God* is a unique devotional, one that offers a rich program of daily prayer and study designed to lead people into fresh encounters with the living God.

Very well researched and written. I am reading through "Praying the Names of God" as my summer Bible Study. Usually I buy Kindle books but I wanted this book in paperback so I could make notes in it and refer to it often. (I know I could do it in Kindle but is was the way I want to use it.) After I read through this book I will buy her other book about Names of Jesus which is the New Testament research she did.

I used this e-book and the Whispersync recording for my devotions during the first half of this year. The recording made it a much richer experience since I don't know Hebrew and wanted to hear the pronunciation of the names highlighted in this book. I loved the voice and enunciation of the woman who made the recording---very listenable with great emphasis in the appropriate places. I highly recommend using this tool.As to the book itself, each name is divided into five days using scripture,

prayer, illustrations both from the Bible and from everyday life. Together with the recording, it led to a very rich devotional experience and increased my ability to include praise into my prayer time.

This is a wonderful book. It is well written, and informative. It helps you to look at how you are revering God, and all he is doing and has done for us. Bless God, hallowed be His name.

Doing this as a bible study at my church and enjoying it immensely. If you are looking for more closeness to God, this will aid with ways to pray that are much more personal and approachable. Love it.

This book did more than meet my expectations, it came in time for the series that my pastor did at church. It is very informative and just reading it gave a lot of insight as to who God was in the times of the bible.

very nice

Ann gives us a clearer picture of the very nature of God, and neither holds back encouragement or challenge in getting to know our Savior and serving Him to the fullest. I recommend this book!!!

love this devotional book. Clear and easy to understand. Enjoying learning the names of God each week.
