Great gifts for your Sunday School girls. I lead a small group of 6th grade girls for my church and purchased these for them as Christmas gifts. They were a big hit. They are girly, culturally relevant and biblical. I would recommend this devotional for 10 or 11 year old girls but think 9-12 age range would work depending on maturity. Really pleased with the price and quality.

This is a great bible study. My daughter is 7 and she understood what we talked about. Praising God and going to Him for anything and everything including the good things. Not to just go to Him when times are bad. The study was, however, fairly longer than expected. But I think that helps with focus and patience. I'd recommend.

Love this devotional for girls. It's to the point and makes great conversation with my 9 year old daughter.

Bought for 5th and 6th grade Sunday School class. Awesome price! The girls still tell me they love reading it and the parents love how it is relatable for the girls their age.

Recommend to parents wanting to encourage Christian fundamentals in daily life. Ordered for my 10 yr daughter and enjoy reading it with her! Good buy!

My daughter and I are enjoying this devotional greatly, I would highly recommend, easy enough for her to read on own ,but enjoying together .
